

Clare Knottenbelt – Head of Division of Companion Animal Sciences, University of Glasgow

Speaker; Managing mast cell tumours in practice. Friday 24 September, 16.00 – 17.00

After graduating from Bristol in 1994, and working for a year in mixed practice, Clare was the Petsavers Resident in small animal internal medicine at the Royal (Dick) School of Veterinary Studies. She obtained an MSc by Research in Feline Transfusion Medicine and the RCVS Diploma in Small Animal Medicine in 1999. Clare was appointed as a lecturer at the University of Glasgow in 2000. Clare is currently a senior clinician in Small Animal Medicine and Oncology and Head of the Division of Companion Animal Sciences at the School of Veterinary Medicine, University of Glasgow. Her interests include oncology, haematology and gastroenterology.
