

## **Julian Wells – Claims Consultant, Veterinary Defence Society (VDS)**

### **Speaker; It shouldn't happen...but it does. Saturday 26 September, 11.00 – 12.00**

We are all aware that we inhabit a blame culture in the UK. We already lead the world in veterinary litigation and an economic downturn may increase the number of clients seeking compensation or simply the avoidance of fees. This presentation will summarise the common pitfalls and offer preventative strategies.

After thirty years in practice and a period in veterinary politics, Julian became a full time VDS claims consultant in 2004. He is now one of five small animal consultants in the eleven strong team based at Knutsford.
