

Lesley Stubbings – Director, Moredun Foundation

Speaker; Responsible use of available controls. Friday 25 September, 16.30- 17.00

Lesley provides specialist sheep advice and training.

In addition to her role with SCOPS (Sustainable Control of Parasites in Sheep), Lesley also has been a Director of Moredun Foundation (1995-2005), and is an Honorary Life Member of the Sheep Vet Society amongst many other widespread involvements with the sheep industry.

Lesley was appointed an OBE for services to the sheep industry in 2006.
