

Mark Riggs – Technical Manager, Merial Animal Health

Speaker; Equine flu outbreak in Australia. Saturday 26 September, 09.30 – 10.30

Mark qualified from the Royal Veterinary College London in 2001. Prior to joining Merial Animal Health Mark worked in and around the Cotswold area for seven years firstly in mixed practice and then latterly as a small animal hospital clinician.

Having joined Merial Animal Health in February 2008 Mark is the Technical Manager for all Companion Animal and Equine Vaccines and Pharmaceuticals (excluding Frontline).
