

National Office of Animal Health (NOAH)

NOAH represents the UK animal medicines industry.

Noah performs a number of specific functions

- promotes the benefits of safe, effective, quality medicines for the health and welfare of all animals
- promotes and defends the responsible manufacture, sale, distribution, handling and use of animal medicines
- acts as a consultative body to industry, government, the media and the general public
- represents the views and interests of its members
- informs the outside world about the valuable work of the animal health industry in
 - animal welfare
 - consumer safety
 - farm prosperity
 - environmental protection
 - scientific innovation
