

2009 BVA Congress Sponsor

Royal College of Veterinary Surgeons Trust

The RCVS Trust is a small, ambitious veterinary educational and animal welfare charity supporting the profession. Our mission is *'Helping animals and the people who care for them.'* We fund the biggest specialist veterinary library in Europe - available to veterinarians, veterinary nurses and open to the public.

Over the past decade we have offered a comprehensive range of grants from £1,000 to £250,000 and distributed over £1million in grants in the past decade. We are pleased to support the BVA in 2009 with a grant for their Graduate Support Scheme for Recent Graduates.
