

Wendy Harrison – Chairman, Veterinary Support Working Party

Chair; It shouldn't happen to a vet: Suicide and mental health in the veterinary profession. Saturday 26 September, 14.30 - 15.30

After a short time in general practice Wendy completed a PhD and post-doc in clinical pharmacology and subsequently worked in research and development for a pharmaceutical company before pursuing her interest in international health and completing a Masters in Public Health in Developing Countries.

She is currently the Deputy Director of the Schistosomiasis Control Initiative based at Imperial College working on control strategies for neglected tropical and zoonotic diseases primarily in Sub Saharan Africa.
