Failure to notify **Us** of these changes may result in the **Policy** not operating and any claim not being indemnified. Special terms may have to be applied and an additional premium may be required.

Contracts (Rights to Third Parties) Act 1999

A person or company who was not a party to this **Policy** has no right under the Contracts (Rights to Third Parties) Act 1999 to enforce any term of this **Policy** but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

Failure to Comply with Policy Conditions

If **You** or an **Insured Person** fails to comply with any obligation to act in a certain way specified in the terms, provisions, conditions and endorsements of this **Policy**, it may prejudice **Your** or an **Insured Person's** position to recover any claim under this **Policy**.

Fair Presentation of Risk

You must make a fair presentation of the risk to **Us** at the inception, renewal and with each variation of the **Policy**.

Where **You** fail to make a fair presentation of the risk **We** may at **Our** absolute discretion;

1. Amend the **Policy** to record the correct information.
2. Treat the **Policy** as if it included any additional terms as **We** may have reasonably required had a fair presentation been made. Where different terms are applied that result in an additional premium **You** shall be liable to pay for such an additional premium.
3. Reduce proportionately the amount for which **We** are liable on any claim by the proportion to which the premium actually charged bears to the premium that **We** would have charged had a fair presentation been made.
4. Refuse to pay **Your** claim.
5. Where the failure to make a fair presentation of the risk is to such an extent that had a fair representation been made, on the balance of probabilities **We** would not have issued the **Policy** **We** may
 - a) Avoid the **Policy**, treating it as if it had never existed and return any premium **You** have paid to **Us**
 - b) Require **You** to reimburse **Us** with the cost of any claims paid by way of benefit under the **Policy**
 - c) Cancel the **Policy** under **Policy** Condition: Cancellation – **Our** Rights to Cancel
6. Where the failure to make a fair presentation of the risk is deliberate and/or reckless **We** may;
 - a) Avoid the **Policy**, treating it as if it had never existed and retain any premium **You** have paid to **Us**
 - b) Require **You** to reimburse **Us** with the cost of any claims paid by way of benefit under the **Policy**
 - c) In addition to avoiding **Your Policy** **We** may also avoid any other policies which **We** have issued to **You** and return the Premium paid by **You** to **Us** for such policies except in the circumstances where;
 - (i) Failure to make a fair presentation under such policies is also deliberate and/or reckless
 - (ii) Claims have also been made on these policies

Sanctions

We will not provide any cover or be liable to pay any claim or provide any benefit under this **Policy** to the extent that this would expose **Us** to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, **United Kingdom** or United States of America.
