

# BVA Graduate Members Personal Accident Insurance Summary of Cover

This summary answers the basic questions you may have concerning the free personal accident insurance you will be given as a BVA graduate member (up to 8 years qualified). You can view the full policy wording on the BVA website at [www.bva.co.uk/member-discounts](http://www.bva.co.uk/member-discounts), or alternatively, you can contact Lloyd & Whyte Ltd who have arranged this insurance.

## **Am I automatically covered by the insurance?**

Yes; if you are a BVA graduate member (up to 8 years qualified) and your membership subscription is up to date, it will cost you nothing as the BVA pays for it on your behalf.

## **When am I covered?**

Cover operates 24 hours a day, which means that if you sustain bodily injury as a result of an accident at work or in your leisure time and regardless of fault you may be entitled to claim.

## **Am I covered abroad?**

Yes; cover is provided on a worldwide basis. Policy conditions apply in respect of travel to countries contrary to advice issued by the Foreign & Commonwealth Office (FCO). Please also note that this cover does not replace the need for Travel Insurance. It is strongly recommended that if you are going abroad you still obtain travel insurance. You can contact Lloyd & Whyte to discuss your Travel Insurance requirements.

## **What benefits are paid under the personal accident insurance?**

Compensation will differ according to the extent of bodily injury. Please see the **Accident Benefit Schedule** for details. As the policy is designed to provide you with "living benefits" following an accident it does not include a death benefit. If you feel you have a need for Life Insurance you can contact Lloyd & Whyte who can advise accordingly.

## **What compensation limits are there?**

If you suffer several forms of partial disablement as a result of one accident your total compensation will not exceed £50,000. The maximum compensation payable from any one accident is £150,000 in the event of you being left quadriplegic.

## **Who receives the compensation?**

You do.

## **Are any activities excluded from the policy?**

Yes; while these have been kept to a minimum there are exclusions such as; committing a criminal act, suicide, intentional self injury, flying (other than as a passenger), war (within the UK). As this is an accident insurance no cover applies in respect of sickness (unless resulting from bodily injury) or any gradually operating cause. To protect yourself against sickness, you should consider Critical Illness and / or Income Protection insurance. Again, Lloyd & Whyte can advise you accordingly.

## **Who is the provider of the insurance?**

AmTrust Underwriting (Europe) Limited who are authorised and regulated by the Financial Conduct Authority. They are a well-established company specialising in this type of insurance.

## **How do I claim under the policy?**

Contact Lloyd & Whyte.
