- Today's MSD is a global healthcare leader working to help the world be well. MSD is a tradename of Merck & Co., Inc., Kenilworth, N.J., U.S.A. Through our prescription medicines, vaccines, biologic therapies, and consumer care and animal health products, we work with customers and operate in more than 140 countries to deliver innovative health solutions. We also demonstrate our commitment to increasing access to healthcare through far-reaching policies, programs and partnerships. For more information, visit www.msd.com.
- All data, including recorded meetings, that have content subject to a legal hold or a record retention schedule must be preserved and/or retained.
- For instructions on preserving recorded meetings subject to a legal hold, please follow [Legal Hold Preservation Instructions](#).
- For guidance on retaining data subject to the Company's record retention schedule visit [Records & Information Management](#).
