Unless you have already supplied us with revised wages and turnover figures (as appropriate) the premium for renewal of your Public/Products Liability cover has been revised to reflect variations in the **Average Wages and Salaries and Producer Price Indices** since last renewal date.

If there have been any changes in your wages payments and/or turnover since last renewal date you should provide us with up to date figures to enable your premium to be re-calculated.

If you **have** provided revised figures the premium required has been calculated using those figures.
