- 3) BVA would like to expand the number of parliamentary Hon. Assocs. to support public affairs work going forward. Suggestions are very much welcomed, ideally with representatives from across the political parties.
- 4) The list of honorary members and associates will be ratified at the BVA AGM in September. Given the recent Senedd election in May, we will not be nominating any additional HAs from Wales this year but will start establishing links and identifying potential MS to add for consideration next year.
- 5) **Members are invited to:**
- a) **to note the current BVA Honorary Associates in Wales**
  - b) **make any additional suggestions for parliamentarians with a strong interest in veterinary issues and animal health and welfare**
