

Warwickshire Veterinary Clinical Club

A Division of the British Veterinary Association

Membership 2017-18

Please complete this form and send with your membership subscription to the address at the bottom of the form.

We now need a form for each member but would be grateful where the practice is paying on behalf of their vets if all the forms are submitted together with the payment.

For ease, and to limit costs, most communication is sent by e-mail. Separate e-mails for each member or one practice e-mail for a group are equally acceptable but please make sure that practice e-mail will be distributed to all members at that practice.
